# WELCOME

## [ TO THE LAKE TRAVIS AREA ]

**LAURA MITCHELL, IOM  
PRESIDENT**

*Lake Travis Chamber of Commerce*

Welcome to the LT Chamber of Commerce and our community, one of the best places in Central Texas to live, work and raise a family. The Lake Travis Chamber of Commerce is a dynamic organization encompassing over 450 businesses that help shape our local economy, promote community awareness and promote the Lake Travis area as the #1 vacation destination in Texas. Through our programs, Chamber events and community involvement, we are providing the services and resources to help our members grow while gaining exposure throughout the area.

We are committed to building strong partnerships with our members, cities we serve, local school district, private schools and colleges and the non-profit agencies throughout the region. As an advocate for local businesses, we strive to create a healthy thriving economy while simultaneously preserving the quality of life we all enjoy.

Membership in the Lake Travis Chamber of Commerce provides businesses and professionals an opportunity to join with other community-minded business people to support and enhance the quality of life in the South Lake Travis area!

**MATT WOMACK  
CHAIRMAN OF THE BOARD**

*Watkins Insurance Group*

Welcome to Lake Travis and to the greatest area in Central Texas. We are now over 450 members strong. Dedicated to helping you grow your network and grow your business. We want to be in the forefront on issues relating to business in the Lake Travis area. We already have committees working on two major issues in our area – water and traffic. Both of these issues are critical to the business environment and way of life in our area.

We have some great programs in place: Leadership Lake Travis, Business off the Clock, Ribbon Cuttings and informative luncheons. We will also continue to have our annual events; SpringFest, Birdies by the Lake Golf Classic and the Economic Forecast.

We have a great group of Board members that are fired up and committed to serving all of our members. Laura and the Chamber staff are excited and working hard on the many events we have planned this year. We are fortunate to have such a dedicated team that loves what they do.

# DISCOVER LAKE TRAVIS

## [FIND YOUR ADVENTURE]

As a leader in Texas tourism, the Lake Travis area provides visitors and residents opportunities of listening to live music, dining at vibrant restaurants, and relaxing while viewing blazing sunsets over the lake. Hugging the southern and western shores of Lake Travis, a reservoir formed in 1942 by the Mansfield Dam, this area in the heart of the Texas Hill Country is just minutes from downtown Austin.

The south shore includes the communities of Lakeway and Bee Cave and is the most commercial side of the lake due to its proximity to Austin proper. It provides the largest selection of amenities on the lake. The Hills of Lakeway presents a secluded retreat just off the shores of beautiful Lake Travis. Featuring private golf, tennis, fitness, swimming and social amenities, the Hills also offers the hallmark of the private club tradition. With four clubhouses offering fun for the entire family, membership at The Hills of Lakeway is the perfect complement to the friendly,

welcoming spirit of the Lakeway community.

The west side of Lake Travis includes the communities of Briarcliff and Spicewood. Although rapidly growing, the west side has easy access, fantastic amenities, but retains the traditional Lake Travis feel. Discover the infinite number of things to see and do in the Lake Travis area. You'll find more than you were looking for!

### CITY OF LAKEWAY

Nestled in the western corner of Travis County, Lakeway is ideally

Photo courtesy of Vi Bottaro Photography

situated on the south shore of Lake Travis in the scenic Texas Hill Country. Located about 25 miles west of downtown Austin, Lakeway is a resort community complete with golf courses, tennis courts, marinas, a private airport, a full-service hotel and spa, a 65-mile long lake, 100 acres of parkland and trails, and nearly 500 acres of greenbelts. It is considered one of the finest small cities in the Austin metro area.

The City of Lakeway began as a retirement and second-home community. Now, families are drawn to the "lake lifestyle," the city's award-winning parks and recreation programs and facilities, and Lake Travis ISD's renowned schools.

Active empty-nesters and young professionals are attracted to the city's natural beauty, proximity to Austin and endless recreational activities including tennis, golf, hiking, biking, picnicking and camping, fishing, boating, swimming, and scuba diving. Lakeway residents are active in their community and take great pride in the city and its unique history.

# CITY OF BEE CAVE

The City of Bee Cave is rich in history. The City, as we know it today, did not exist until 1987, but the idea of an area where people could live without the influence of “big city” government has been the area’s “calling card” for over 140 years. As early as the 1850s, Dietrich Bohls moved from Austin to his new home at the confluence of Barton Creek and Little Barton Creek. The Bohls family was one of the first families to settle on the land that would become the City of Bee Cave. The area derived its name from the colonies of Mexican honeybees that lived in the banks of Barton Creek and Little Barton Creek that encompassed a large area of Western Travis County. In 1987, the City of Bee Cave administration had its humble, but proud, beginning in a nondescript portable building. At that time the City of Bee

Cave encompassed a two-square mile area with 8,800 acres of extraterritorial jurisdiction.

Everything you could possibly want to shop for is found at the Hill Country Galleria, a 152-acre shopping center full of retail stores, restaurants and entertainment. You can start your day out with a cup of coffee at one of the fabulous coffee places, then do some shopping, then grab a light lunch, do a little more shopping, grab a happy hour cocktail, shop a little more and top the day off with a great dinner and a movie! It really is a convenient and fun-filled experience!

The Lone Star Farmer’s Market is every Sunday from 10am – 2pm in the Central Plaza at the Hill Country Galleria. It provides the community with locally grown foods and farm products in a direct farm-to-consumer marketing venue that will preserve and promote regional agriculture and improve our quality of life.

Photo courtesy of Vi Bottaro Photography

The Bee Cave Sculpture Park weaves throughout a 7-acre natural setting showcasing a combination of permanent and rotating sculptures. In addition to the fantastic art you will find a spring-fed pond, some of the largest oak trees in the City and over 20 different native species of plants. If you look closely you will also run into quite a bit of wildlife. Whether you want to come and take in the art or simply enjoy the natural setting and have lunch, the Bee Cave Sculpture Park is a gem that is not to be missed!

# SPICEWOOD

If you are looking to escape city life and explore nature then Spicewood, Texas is the place for you! Even though it is not a big city, Spicewood has fantastic activities and extraordinary sites to see.

It's not every day you can soar through the Texas trees, seeing nature from a bird's eye view. Cypress Valley Canopy Tours offers an eco-friendly journey through Texas Hill Country. During your adventure, you'll experience several ziplines, sky bridges, and a rappel to end your venture. This exhilarating trip offers a new relationship with nature -- one that's thrilling and gives you the chance to learn about local ecology. And if you're not ready to part with this one-of-a-kind experience, there are four treehouses where you can spend the night.

Krause Springs is a well-known camping and swimming site. The 115-acre property is listed on the National Registry of Historical Sites and has been privately owned by the Krause family for over 50 years. There are many natural sites to explore including 32 springs. It's a refreshing treat to swim in the Springs during the hot summers of Texas! Guests are welcome to relax and stroll through the Butterfly Gardens and listen to the music of the wind chimes and fountains during their visit!

Pace Bend Park is located in far western Travis County in the Hill Country of central Texas. With more than nine miles of shoreline along scenic Lake Travis, Pace Bend is one of the most popular areas in the Highland Lakes region, offering visitors a wide range of recreational opportunities. The west side of the park features high, limestone cliffs and numerous rocky coves with some of the most impressive views available of Lake Travis, especially at sunset.

Lakecliff Country Club is a place where people can gather together and enjoy some of the finer things in life. Lakecliff includes twelve man-made lakes and several picturesque waterfalls. Tee times are not required for golf. There are also five US open style hard courts and two red clay courts.

After a day of adventure, savor the moment with a visit

to Spicewood Vineyards, a pet-friendly winery with tours and tastings Wednesday through Saturday. You can call ahead to schedule a Winemaker tour of the beautiful facility, picnic area and 32-acre vineyard.

## VILLAGE OF BRIARCLIFF

Briarcliff, Texas, is located in the beautiful Hill Country on the South shore of Lake Travis, 30 miles west of Austin in Travis County and part of the highly acclaimed Lake Travis Independent School District. The community offers many amenities for young and old alike with nature trails, a disc golf course, a shaded park as well as an events oriented community center. Whether you enjoy the many outdoor activities, launching your boat at the Marina or hitting golf balls at Willie Nelson's 9-hole course, Briarcliff has something for everyone.

There are two governing bodies, the Village of Briarcliff (VOB), the City Government overseeing Briarcliff and nearby subdivisions, and Briarcliff Property Owners Association (BPOA) who maintains roads, parks and LOCHS. Together, the BPOA Board and the Village Council work to create and maintain a safe and fun hill country atmosphere for over 1,200 residents.

# SPRING FEST 2018

## [THE BEST YEAR YET!]

St. David's 24/7 Emergency Care and the Lake Travis Chamber of Commerce were excited to host the 11th annual Lake Travis SpringFest which was held at the Hill Country Galleria on April 28th, 2018 from 11am – 7pm. All for good reason, as the event held up to be 'The BIGGEST time in the smallest town!' with record breaking attendance.

Not every festival can boast a KidZone almost big enough to cover a football field. From bounce houses to obstacle courses and Joust! Thanks to the sponsorship of the Church at Lake Travis there was just that. While in the KidZone, the Lake Travis Youth Association celebrated 40 years in this community! The Lake Travis Book Mobile was on hand to share the joy of reading and numerous local businesses welcomed guests with fun activities for the young and young at heart!

Visitors enjoyed live music performances, gymnastic exhibitions, a boat expo presented by the Sail & Ski Center, a Craft BrewHaus and WineStomp presented by the Ginger Man, and of course unique shopping provided at 100+ local and regional artisan vendor booths.

If you missed this fun-filled event there is exciting news! Lake Travis SpringFest will return to the Hill Country Galleria on Saturday, April 27, 2019 and Suede Austin will be returning to the main stage!

# THE PERFECT PLACE

## [PLAN A STAYCATION]

Photo courtesy of Vi Bottaro Photography

When you live in the Lake Travis area, the word “staycation” takes on a whole new meaning. With summer just around the corner, now is the time to take full advantage of world-class amenities and events. Beat the summer heat with staycations you can take without driving very far from your front door.

### 1. ZIP AROUND [AND OVER!] LAKE TRAVIS

The best views of Lake Travis and the Texas Hill Country are from above! At Lake Travis Zip Line Adventures, you'll launch from a 20 story cliff and travel across Lake Travis' canyons and inlets over two and a half hours. You'll enjoy five ziplines ranging from 250 feet to 2,800 feet long - the longest and fastest zip line in Texas - as professionally trained guides help along the way. And when you're done, you'll get access to their private beach where you can picnic, swim in the lake, play games, or just relax in a hammock. Feeling really adventurous? Take a night flight! You'll soar over the lake, lit only by moonlight, headlamps and glowsticks.

### 2. MAKE A SPLASH

What's more relaxing than the luxury of laying your towel on a sand beach? If you love feeling the sun

on your skin and the sand between your toes, then perhaps a day along the shores at Bob Wentz Park in Lake Travis is exactly what you need. Bob Wentz Park is particularly known as a go-to spot for non-motorized watercraft sports like kayaking, sailing and windsurfing as well as swimming and even scuba diving! Pack a picnic basket and head out to "The Point" at Bob Wentz Park for a fun day on the lake.

Don't want the sand between your toes? Visit Lakeway Swim Center, where you don't have to be a resident to enjoy the pools, frog slide, lily pads, two large body slides. The center also includes a skate park, basketball and volleyball courts, six lane lap pool for serious swimmers, climbing wall and a oversized chess and checker set. Check their website for information on swim lessons, water aerobics classes, summer events like "Dive-In Movies" and more!

In Spicewood, make sure to visit Krause Springs. The 115 acre property is listed on the National Registry of Historical Sites and has been privately owned by the Krause Family for over 50 years. There are 32 springs on the property, and several feed the manmade pool and the natural pool which flows into Lake Travis. It's a refreshing treat to swim in the Springs during the hot summers of Texas! So bring your tube, towel, snacks and some cash for admission and enjoy a relaxing day on the water.

But if you're in Bee Cave, check out the splash pad at the Hill Country Galleria. Your littles will love playing in the jets of water, while you relax surrounded by some of the area's best shopping and dining. The splash pad is open from 9am to 9pm, but may occasionally be turned off during events.

### 3. STROLL AROUND THE BEE CAVE SCULPTURE PARK

The Bee Cave Sculpture Park weaves throughout a 7-acre natural setting showcasing a combination of permanent and rotating sculptures. Currently there are 24 sculpture installations at the park. In addition to the fantastic art you will find a spring-fed pond,

## 4. TREAT YOUR SELF

Lakeway Resort and Spa is a modern resort complex with beautiful views of Lake Travis. Escape for a weekend of rest and relaxation. There are three swimming pools to choose from, including a heated, adults-only pool that has a fabulous swim-up bar. Check out the San Saba Spa for luxurious treatments like facials, massages, wraps and waxing, and a full-service salon.

## 5. SIP THE DAY AWAY

Savor your day by visiting one of the many local breweries and wineries around Lake Travis, such as the award-winning Infamous Brewing Company. Their house brews include everything from "Bugsy," a fire-brushed amber beer to a pumpkin pecan seasonal favorite called "Massacre." Stop by for a few pints and tour their facility. Well-behaved kids & dogs are welcome.

**View a full list of nearby breweries, distilleries & wineries on page 24.**

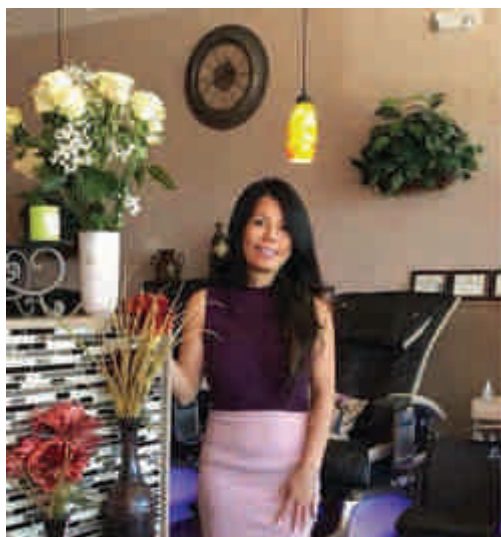

Photo courtesy of Vi Bottaro Photography

some of the largest oak trees in Bee Cave and over 20 different native species of plants. If you look closely you will also run into quite a bit of wildlife.

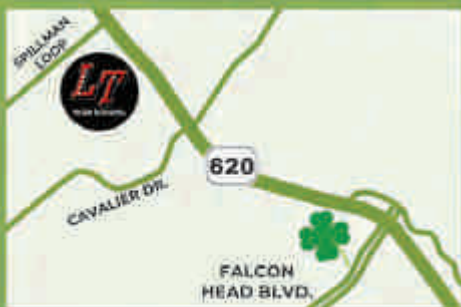

Whether you come and take in the art or simply enjoy the natural setting and have lunch, the Bee Cave Sculpture Park is a gem that is not to be missed! Be sure to download the Park Brochure at [sculpturesofbeecave.org](http://sculpturesofbeecave.org) before your visit.

## 6. TAKE A HIKE

The best hiking area in the Lake Travis area is in The Canyonlands. Read any of the Yelp reviews and you'll soon see why! During

**SANTACATARINARESTAURANT.COM**

especially wet months you'll hear the sound of water tumbling in the creek below the Rim Trail. As the sound of water grows louder, you'll find a roaring waterfall beckoning you to go deeper into the canyon, below the lower pond.

The Rim Trail and its grand vistas are easily navigated with minimal physical exertion. The Canyon Trail requires greater effort as it is narrower and presents steeper inclines. The Mt. Lakeway Trail will challenge even the most experienced hikers and riders, but the views are well worth the effort.

No special hiking equipment is necessary on any of the trails. You are advised to wear good hiking shoes and to take special care on the steeper sections. In the warmer months, carrying water with you is a good idea. Dogs are permitted and leashes are required. Remember to take a waste bag for your pet! Enjoy the views and please stay well back from cliffs and overlooks.

## 7. SPEND ALL YOUR CALORIES

Take a day off from the lake and spend time eating your way through the various cuisines that the Lake Travis area has to offer. For breakfast, start at Vivel Crepes & Coffee in Lakeway. Inspired by the walk-up crêperie stands and sidewalk cafés that line the streets of Paris, Coté d'Azure and Brittany, Vivel brings the same passions and flavors of France and the real French crepe to Lake Travis. Not in a crepe mood today? Try one of their paninis, burgers, salads and more!

If you've got a hankering for barbecue for lunch, visit It's All Good Barbecue in Spicewood, where they pride themselves on serving the finest barbeque found in the Texas Hill Country. Whether you order a juicy slice of their championship brisket, fall-off-the-bone beef ribs, whole smoked chicken, Perdernal's sausage, rich pulled pork or succulent racks of pork ribs, you'll see why they've won so many awards at Texas' best BBQ competitions.

For dinner, try Santa Catarina, the little gem of Lakeway. From the farm and ocean to their friendly neighborhood table, Santa Catarina combines fresh ingredients with classic and new Mexican recipes for your best dining experience. Every item on the menu is full of amazingly rich flavors, and you can't help but taste the passion and pride of our talented team in each delicious bite. Be sure to try their renowned Conchinita Pibil (tender chunks of pork steamed in a banana leaf), the Huitlacoche, or the savory roasted-corn soup. All drinks are organic, featuring fresh-squeezed limes, fresh fruit and agave nectar. Tortillas are handmade, steaming hot, and delicious, and the queso fresco is legendary.

Looking for something different? Check the Lake Travis Area Chamber of Commerce website for more restaurants open in the area.

## 8. HAVE A DEVILISH GOOD TIME

Everyone in the Austin area knows Devil's Cove is the biggest party and meeting place for boaters on Lake Travis. Imagine 200+ boats - from pontoons and cigarette boats to yachts and house boats - all tied up together in one epic party group and you'll understand why Devil's Cove is the "hot spot" to be for Memorial Day, 4th of July, Labor Day and pretty much every other beautiful day from summer to fall. Want to get part of the action, but don't have a boat? Visit any of the local boat rental locations and they will be able to get you to show you the way to the cove. Devil's Cove is "adult-friendly." Please drink in moderation and come prepared with life jackets and a designated boat driver. Party responsibly!

## 9. ENJOY THE VIEW

Words can hardly describe the beauty of the sunset from a cliff 450 feet above Lake Travis. It's something every resident or visitor to the Lake Travis area should experience. Sit and enjoy a meal or beverage on one of the multiple dining decks at The Oasis, the largest outdoor restaurant in Texas, and watch the beautiful gradient hues of yellow, red, pink, blue and purple light up the sky.

## 10. GAME OF STONES

Daybreak Golf Park has a "Gem Stone Mining Stream." A large bag of sand is gently sifted through cool water that is pumped from a nostalgic water well through antique troughs. Sifting trays are used to slowly wash away the sand revealing beautiful and colorful gemstones that you're able to keep. There's nothing like finding a "treasure!"

## THE PERFECT MIX

It's more than a great place to work and do business. It's more than the exceptional schools in the area. Located approximately 20 miles west of Austin, Lake Travis provides the perfect mix of lifestyle amenities for water and outdoor enthusiasts. If you aren't lucky enough to be a "local", no worries, there are plenty of lodging options ranging from hotels, bed and breakfasts, vacation rentals, RV parks and campgrounds ready to accommodate your group.

Whether resident or visitor, it's highly likely you will be spending some time on the water. Boating alone is an excellent activity, whether you're cruising, fishing, or enjoying time with friends and family. However, there are some additional water activities that will make life at the lake even more enjoyable. Besides wakeboarding, water skiing, kneeboarding, wake surfing and flyboarding, Lake Travis has also become a destination for scuba divers as well.

You can always spot cyclists and runners in the area, whether in neighborhoods or even on the more busy roadways. From Reimers Ranch to the Lakeway Trails and up to Pace Bend Park; there are plenty of great trails for recreational weekend riders to enjoy! Biking is so popular in the area that Lake Travis High School even has their own co-ed mountain biking team!

Residents and visitors can zip over to Lake Travis Zip Line Adventures and take an exciting and thrilling zip line tour. You can launch from a 20-story cliff and take a fun two and a half hour tour on 5 zip lines, including the longest zip line in Texas, that takes you across Lake Travis canyons and inlets.

You'd almost have to work at not being active in the Lake Travis area considering the many miles of hiking and biking trails, swimming spots and array of outdoor activities that can be enjoyed all year long.

**SUNDAYS @ 10:30**

[unityoflaketravis.org](http://unityoflaketravis.org) [facebook.com/UnityLakeTravis](https://facebook.com/UnityLakeTravis)

**Practical - Progressive - Positive**

Travis County Park Rangers patrol approximately 14,500 acres of county-owned or managed park and preserve lands on a regular basis to protect visitors, the natural environment and park facilities. Established in 1994, the park ranger program has grown with the county park system, and rangers are now responsible for public and staff safety in over 30 parks and numerous preserve tracts.

The rangers are well trained – all are commissioned law enforcement officers and are certified as Emergency Medical Technicians. In addition to law enforcement-related calls, they respond to all emergencies that happen in the parks and preserves, from medical calls due to injury or illness, to searches and rescues, wildfires, or rules violations. And, because of their county-wide geographic patrol area, they are often called upon to assist other agencies with incidents that occur outside the parks. Rangers are also responsible for parks wildlife and feral animal management, and for the protection and preservation of natural, cultural, archaeological and physical resources.

If you need directions to a trail or fishing pond, want a few birding tips, or want to learn about local history and pre-history, ask a Ranger. They can tell you about the wide variety of events held in the parks each year - underwater dive cleanups, youth fishing camps, tournaments and athletic events. And if they can't help you, they will know where to find answers to your questions. As stewards of Travis County's well-loved lands, rivers, lakes and natural resources, they are there to help visitors enjoy their stay.

## LIVE TO PLAY ANOTHER DAY

- Plan ahead and prepare
- Know boating regulations and extreme weather warnings
- Prepare for hazards, and emergencies
- Schedule your trip to avoid high use times
- Do not boat under the influence - it is the leading contributor in recreational boater death
- Keep your vessel in good working order
- Make sure all required safety equipment is on board and in good condition
- Life jackets only work if you wear them

Check current lake and boat ramp status at [parks.traviscountytexas.gov](http://parks.traviscountytexas.gov)

## DOG-GONE FUN IN LAKE TRAVIS!

The Lake Travis area has what you need to keep your dog happy, healthy and out of trouble with these two featured “paw-some” dog parks! Benefits of going to the dog park include:

- Physical and mental exercise. Dogs can zoom around off-leash to their heart’s content, investigate new smells, wrestle with their dog buddies and fetch toys until they happily collapse.
- Building social skills. Dogs get practice reading a variety of other dogs’ body language, using their own communication skills and get used to meeting unfamiliar dogs.
- Fun for pet parents. People enjoy dog parks, too! They can exercise their dogs without much effort, socialize with other dog lovers, bond with their dogs and enjoy the entertaining antics of frolicking dogs.

Bark Park is located in Lakeway’s City Park and includes fenced and gated areas for both large and small breeds with plenty of room to run, play and fetch tennis balls. There are benches shaded by trees on hot days and a hose and basin to cool or wash off your pup before heading home!

The new Bee Cave Dog Park at Central Park is another fun option for an outdoor day with your furry friend. The park has separate, fenced enclosures for small dogs and large dogs, two self-filling water bowls and plenty of seating. The park even has a nice shaded, covered pavilion at the top of a slope that makes for a good, long throw for all of the donated tennis balls and toys.

Come enjoy a day at the park. And don’t worry – both parks are stocked with clean up bags in case you “fur-get.”

# [PROTECTING THE HIGHLAND LAKES]

In the Lake Travis area, residents enjoy a relaxed standard of living in a thriving region, all centered around beautiful Lake Travis. But the lake is more than just beautiful. It's part of the Highland Lakes -- an irreplaceable natural resource supplying water for more than two million Central Texans and providing an important economic engine for the tourism industry and the state of Texas.

Ensuring that resource is protected is the **Central Texas Water Coalition**, which advocates for:

- Responsible water management policies that minimize fire risks, risks to the drinking water supply and adverse economic impacts that result from very low lake levels
- Equitable pricing for water to encourage conservation by all
- Use of current scientific data in water management decisions

Coalition partners include more than 3,000 Texas residents, businesses, local government representatives, property owner associations, environmental interests and concerned citizens. All are united by their commitment to protect our future through responsible water management and conservation. The Lake Travis Chamber of Commerce has worked closely with CTWC to ensure the Highland Lakes are appropriately and fairly managed to ensure a positive economic climate for the area.

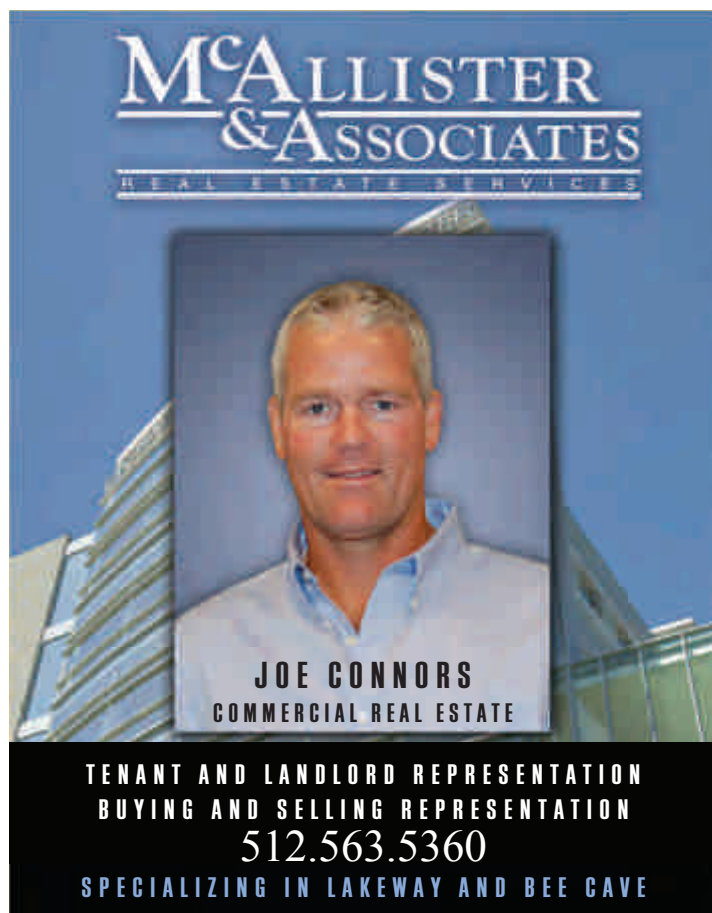

## WHAT WE'RE WORKING FOR

With significant growth in the state's population occurring and expected to continue, unreliable rainfall could pose a real threat to the state's drinking water supply, public health and safety, and the economy. Annual economic losses from not meeting water supply needs could be devastating.

We can't control the rainfall, so we must plan for the future and ensure responsible and forward-thinking management of the resources we have during floods, drought, or our new normal.

## HISTORY OF CTWC

In May of 2010, the Lower Colorado River Authority (LCRA)

**McALLISTER & ASSOCIATES**

We're Here to Help.

(512) 452-8877      (800) 460-5932  
[www.WatkinsInsuranceGroup.com](http://www.WatkinsInsuranceGroup.com)

appointed a Water Management Plan Stakeholders Advisory Committee, which consisted of 16 individuals representing diverse interests: agriculture, environmentalists, water supply customers and the Lakes.

Individuals representing the Highland Lakes formed CTWC, a 501(c)(4), in 2011 to provide a united voice for Central Texas. Friends of CTWC, a 501(c)(3) tax-deductible non-profit organization, was formed in 2012.

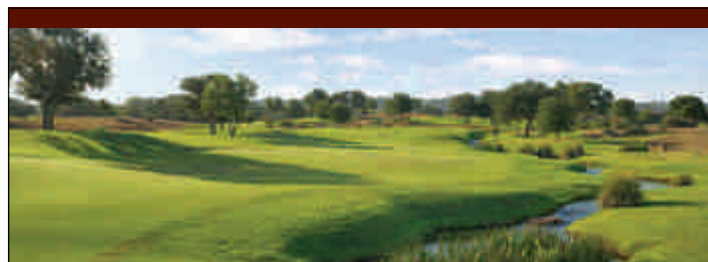

## WE NEED YOUR HELP TO KEEP PROTECTING THE LAKES

CTWC takes a broad-based and multi-disciplinary approach that is based on applying facts, current science and best practices to water management. Funding is needed for hydrology experts, water attorneys, coordination of regulatory and legislative representation and organizational efforts to leverage the passion of dedicated volunteers and concerned residents and business owners.

For more information or to support CTWC go to:

### BREATHTAKING WATERFRONT LIVING

The natural beauty of Lake Travis defines the hill country landscape that is located just 10 miles northwest of downtown Austin. With over 18,000 acres of crystalline water, Lake Travis is the largest of all the seven Highland Lakes. It boasts over 200 miles of shoreline and up to a four and a half mile width that provides abundant space for the enjoyment of residents and water enthusiasts alike. With the area's nearly year-round outdoor weather, it is common any day to spot speedboats and jet skis, along with recreational boaters and people fishing and relaxing along the shore.

Lake Travis has varying water levels: its high of over 710 feet of water was reached in 1991 and its low of just over 614 feet was reached in 1951. It is considered full at 681 feet, and when it reaches that point, flood gates are activated to allow water downstream. Due to the varying depths of the lake and its tributaries, deep water access is considered the most desirable and is the most expensive, while shallower access often can create a wider range of opportunities for homebuyers.

Real estate along the winding shoreline of Lake Travis reflects the premium placed on waterfront properties as well as the accessibility to Downtown Austin and other areas such as Bee Cave, Briarcliff or Spicewood. Living at the lake has a distinctive lifestyle. Along the south shore of Lake Travis is the thriving Lakeway area which is home to a medical center, new neighborhoods that are filling fast, and Bee Cave's Hill Country Galleria.

Whether it is a small fishing cabin or an expansive Tuscan estate, the focus is always on the water. Many Lake Travis homes for sale have exceptional waterfront views, and some even have footage that may include a dock, boathouse or cliff overlooking the river. Rolling hills and lush canyons are adjacent to many areas providing buyers of Lake Travis homes spectacular views from almost any window. Buyers of Lake Travis homes for sale should be sure to ask their agent about water levels. Water levels fluctuate over the years and impact some properties more than others. With Lake Travis' average water depth of 210 feet, most homes enjoy year-round access for boating and swimming enjoyment.

### RAPID GROWTH - VIBRANT ECONOMY

Everything's bigger in Texas and that includes the housing demand and median home prices. When considering a move most people are concerned about finding a job in their field, earning enough to afford

afford a home, sending their kids to good schools and feeling like a part of their community. The Central Texas area has been placed at the top of numerous lists from sources such as U.S. News and World Report, CultureMap, and Austin Business Journal for its growth in population size and job availability. With the area's tech influence, music history, and outdoor space, it's no wonder many people move to Central Texas each day. However, while it's great to be labeled as one of the best areas to live in, it certainly comes with a hefty cost. With the rapid growth in our population, we have seen home buyers and renters struggle to find an ideal living space due to an increase in rent and median home prices.

The median home price in the Lake Travis area grew to \$380,143\*, an increase of over 7% in the past five years. Part of that is due to inventory — less houses on the market and higher demand, which then fuels the higher prices. Single-family homes priced for entry-level homebuyers are increasingly harder to find. The region continues to thrive as it enters its ninth year of positive trends in its real estate and overall economy. Driven by strong job growth, there has been a daily net immigration over 100 people per day moving into Travis County.

Known as a high-end suburb of Austin, Bee Cave homes for sale are some of the more expensive in the area. With neighborhoods like Spanish Oaks featuring homes well over \$1M and the family welcoming community of Lake Pointe with homes from around \$350K to just over \$1M, prices reflect the demand for Bee Cave property.

Lakeway has recently experienced tremendous residential growth, which has transformed what was once a retirement community into a vibrant, bustling city. Families, attracted by the esteemed schools and exceptional recreation, have flocked to the area. Homes in the area start in the low 200,000's and go into the millions, with most in the \$200,000-\$800,000 range. The Village of The Hills is a beautiful community located next to Lakeway and Lake Travis. Some of the most exciting features found in The Hills neighborhood is the Jack Nicklaus golf course and The Hills Country Club. The custom homes themselves are also a central feature of the neighborhood, as they are all very well maintained and contain a number of high-end features and a variety of different floor plans.

The Lake Travis Independent School District is one of the most progressive and successful public school districts in the state. Established in 1981, Lake Travis ISD is a 6A district located alongside the south shore of picturesque Lake Travis in the Texas Hill Country, about 25 minutes west of Austin. The district is comprised of nine campuses within a radius of approximately 116 square miles. Its reputation for excellence in academic and extracurricular programs; modern and well-equipped facilities; and dedicated, highly-qualified staff are a few of the many reasons why Lake Travis ISD is The Destination District for thousands of families.

Since 2007, student enrollment at Lake Travis ISD has increased by approximately 76 percent. As a result, LTISD is considered a fast-growth school district. Yet despite the challenges associated with that growth, LTISD prides itself on the ability to continue offering a comprehensive curriculum which emphasizes scholastic excellence.

Lake Travis ISD employs some of the best teachers and staff in all of Texas. They work hard each and every day to provide a safe and nurturing learning environment for students in a highly-demanding and ever-evolving profession. Year after year, their efforts continue results in exceptionally high academic and extracurricular performance.

## OUTSTANDING ACHIEVEMENTS

- Lake Travis ISD has earned multi-year placement on the College Board's AP District Honor Roll for increasing access to AP coursework while maintaining or increasing the percentage of students earning scores of 3 or higher on AP exams.
- Thirty-eight seniors at Lake Travis High School earned recognition by the 2018 National Merit Scholarship Program for exceptional academic ability and potential for success in rigorous college studies.
- Lake Travis ISD was selected as a finalists in the 'Small District' category as part of HEB's 2017 Excellence in Education Awards program; the award recognizes Lake Travis ISD for its commitment to student achievement through innovative programs, parent/community involvement, and professional development opportunities for

teachers and administrators.

- Hudson Bend Middle School was named a 2014 'Texas Schools to Watch' for academic excellence and was re-designated in 2017.
- Lake Travis Elementary School was named a 2011 National Title I Distinguished School for innovation in helping students achieve high educational standards.

- Lake Travis High School earned the University Interscholastic League Lone Star Cup for team performance in district and state championships during the 2011-2012 school year.
- Since 1998, Lake Travis High School has garnered 29 team and individual state championships in University Interscholastic League athletics and academics as well as in a wide variety of extracurricular clubs and activities.
- For the 15th consecutive year, LTISD received a rating of 'Superior Achievement' under the Texas school finance accountability rating system.

# ACTIVE SENIOR LIFESTYLE

## [TOP AREA ACTIVITIES]

### SPORT & CLUB

Community centers are not only a great place to stay active, but for meeting new people as well. The Lakeway Community Center has a range of clubs and groups for a variety of activities including mahjong, bridge, quilting, bingo, singing, painting, wildflowers, dancing and more! Visit the Bee Cave library for their adult book club, knitting club or attend their "What's for Lunch," a popular lunch and learn program featuring different presenters and topics each month. The Spicewood community center hosts weekly Yoga classes (donation based) in addition to other monthly events. Golf, play tennis or get in a game of disc golf at the Village of Briarcliff.

### TRAVEL

Many seniors spend their retirement years planning vacations in the United States and around the world.

Whether it's a tropical vacation or a trip to a local attraction, there are plenty of fun places to explore and sometimes it's easier to let someone else plan the trips. Local travel planners will be able to get together a senior specific travel package to suit your exact needs. You can also research specialized travel groups that group seniors travel for one all inclusive price.

### BOAT & FISH ON LAKE TRAVIS

Canoeing and kayaking are excellent ways to get outdoors, get some exercise, and see nature. Best of all, you don't have to buy a boat! There are plenty of water equipment rentals all around Lake Travis.

Walking along the banks of the lake in search of that elusive fish, can provide a wonderful, low-impact workout. If you happen to hook a "keeper," you'll have all the exercise you can handle and then some.

## Maintain a lifestyle, not a house.

Our residents enjoy roomy apartments and chef-prepared meals for less than you might expect, with plenty of time to enjoy exercise programs, fun outings and socializing with their peers.

(512) 693-2132

[LakeTravisIndependentLiving.com](http://LakeTravisIndependentLiving.com)

302 Medical Parkway • Lakeway, TX 78738

A SPECTRUM RETIREMENT COMMUNITY

## WATER AEROBICS CLASS & SWIM

Swimming is an especially beneficial activity as it is easy on joints while using all large muscle groups of the body. You can start your balance exercises in the pool without risk of falling. Swimming even increases bone density which can reduce the risk of osteoporosis. The lake offers a beautiful opportunity for getting in your low impact exercising in a fun way or you can find local water aerobics groups/classes to fit your need.

## WALK & BIKE

Walking or an easy hike is a great way to get back into exercising. Whether it is around the block, a walk on the beach, or an easy nature hike, any amount of walking gives your heart and lungs a workout. Stroll through the Canyonlands, Lakeway's most extensive trail network which has breathtaking overlooks of canyon scenery. Another beautiful hike is at Pace Bend Park, near Spicewood, where you get the best views of Lake Travis and the rest of the Highland Lakes.

Cycling can be a great way to jumpstart a fitness routine if you've been sedentary for a while, because it puts less pressure on hips and knees than walking or jogging. If you're already active, cycling can add variety to your workout regimen. Enjoy biking along the 2.5 mile trail which winds throughout the Village of Briarcliff subdivision around the park and lochs or through the Lakeway Boulevard Hike & Bike Trail.

## VOLUNTEER

There are a vast number of volunteer opportunities that allow you to help people, as well as meet new people and get out of the house. As you age you should stay active every day to maintain health, find activities that are meaningful and enjoyable to do. Volunteer at the Lake Travis ISD, community events, library, hospital or nursing home, neighborhood food bank, Ladies of Charity Lake Travis Thrift Shop and more! It's people like you, with valued experience and the time to make change happen, are always in need.

## GET OUT THERE!

Now is the time to do the things you love. Figure out which activities make you the happiest, make a list, and dive in. Don't be afraid to explore new activities, especially if it's something you have always wanted to do. No matter what activity you choose to do, adding any amount of activity to your life has benefits. These activities strengthen your mind and body and you will have a great time doing them.

# LAKE TRAVIS CHAMBER OF COMMERCE

[CONNECTING, STRENGTHENING, PROMOTING]

## WHAT IS A CHAMBER OF COMMERCE?

A chamber of commerce is an organization of businesses seeking to further their collective interests, while advancing their community, region, state or nation. Business owners in towns, cities and other territories voluntarily form these local societies/networks to advocate on behalf of the community at large, economic prosperity and business interests. Chambers have existed in the United States for more than two centuries, with many having been established before the jurisdictions they represent. A business-led civic and economic advancement entity operating in a specific space may call itself any number of things – board of trade, business council, etc. – but for the purposes of this article, they are all chambers of commerce.

Established in 1986, the Mission of the Lake Travis Chamber of Commerce is to foster the best economic climate in Lake Travis by connecting businesses, strengthening communities, and promoting the Lake Travis area as a destination. The Vision of the Lake Travis Chamber of Commerce is to be the Voice for Business in the South Lake Travis Area. The Chamber creates a welcoming and a supportive environment that is rich in expertise, resources, and services to enable growth and prosperity for all.

## HOW DOES IT FUNCTION?

Local businesses are voluntary paying members of a chamber (non-profits, quasi-public and even public sector employers also pay dues to belong.) The membership acting collectively, elects a board of directors and/or executive council to set policy for, and guide the workings of, the chamber. The board or executive community then hires a chief executive (various titles), plus an appropriate and affordable number of staff to

run the organization. The Chamber works continuously for the growth of the city, business expansion and population increase to insure the professional a prosperous place in which to make a

living.

The Lake Travis Chamber of Commerce has over 430 local businesses currently belonging to the Chamber. They represent both small and large businesses in a wide range of areas. The Lake Travis Chamber has four staff members and numerous volunteers who work together to help businesses in the area.

## WHY JOIN THE CHAMBER?

Some business owners say their schedule is demanding enough and the thought of adding one more activity to their busy calendar is unbearable. So why should they find time in their hectic schedules to participate in their local chamber of commerce? Chamber of Commerce membership offers numerous benefits and keeps business owners on top of important, ever-changing issues and trends within their communities and local marketplaces.

You may be interested to know that according to a 2012 study conducted by the Schapiro Group, 49% of consumers were more likely to think favorably of a local business if it was a member of the local Chamber— and 80% were more likely to purchase a product or service from a Chamber

member. Also keep in mind that chambers refer their members' products and services over non-members', which means you will also gain referral opportunities as a paying member.

Chambers of commerce host networking events, fundraisers, workshops, and other activities, all with the aim of connecting local business owners. Research indicates that chamber membership stimulates business-to-business commerce in the local community. Other businesses in town are more likely to do business with you and your company if you are a member of the local chamber. Because a major part of a small business typically comes from business-to-business services, it is essential to maintain a positive standing within the local business community.

Chambers of commerce also provide programs that everyone in your company can engage in. The company is the member, not just the individual. Whether it is a lunch and learn or a seminar on improving your company's marketing, the Chamber hosts countless programs to help you increase your skills in all aspects of your business. For companies that do not have a large training budget, getting to national conferences or bringing in experts is out of the question. Chambers provide an inexpensive way to bridge the gap between no training and topic-expert training. There may not be better organizations at providing relevant speakers and guest trainers in a timely manner. Chambers understand that strong leadership is vital to drive economic growth, build a more inclusive community, and ultimately make communities better places to live and work.

## JOIN THE CHAMBER! (IF YOU HAVEN'T ALREADY)

Keep in mind, that you can't just be a member to reap the benefits of chamber membership. Paying your annual dues just isn't enough. You must also make an investment of time and effort in chamber activities and become involved. Simply put, what you get out of chamber membership is directly relative to what you put in. Investing in the Lake Travis Chamber of Commerce is a smart business decision. Let the Chamber become your business partner and increase your bottom line. Sign up today at **LakeTravisChamber.com** or in person at 1415 Ranch Road 620 South, Ste. 202, Austin, TX 78734.

## [SIGNATURE PARTNERS]

# [ CHAMBER EVENTS ]

The Lake Travis Chamber hosts a number of events throughout the year and actively engages local businesses with opportunities to showcase their businesses within the community. Events hosted by the Lake Travis Chamber include:

## OUTSTANDING ACHIEVEMENT AWARDS CEREMONY

Each year, the Lake Travis Chamber of Commerce attracts hundreds of prominent business leaders to recognize the individuals, non-profits and businesses that have demonstrated unique vision, innovation and achievement in support of the area economy.

### 2017 HONOREES:

Citizen of Year - Dr. Brad Lancaster, LTISD Superintendent  
Golden Apple - Kathy Austrian Bee Cave Elementary School Teacher  
Volunteer of Year - Dean Carrier, Supreme Lending  
Business of Year - Baylor Scott & White  
Founding Entrepreneur - Billy Leavings, QualTech Automotive  
Ambassador of Year - Andrew Rincon  
Indie Award - Annmarie Hatfield, College Inroads  
Chairman's Award - Kelly Newberg, Susan G. Komen  
Special Recognition for Exceptional Service - Rene Campos

## SPRINGFEST

Lake Travis SpringFest is an annual springtime community event held at the Hill Country Galleria which is hosted by the Lake Travis Chamber of Commerce. This full day community festival, filled with shopping, food, music and fun for the whole family, is always "The Biggest Time in the Smallest Town."

SpringFest includes: unique shopping with 100+ local and regional artisan vendor booths; a KidZone that is the size of a football field; performances and LIVE music in the Central Plaza area; the latest in watercraft at the Boat Expo; and tasty craft beers and Texas wines in the BrewHaus and WineStomp.

Everyone is welcome, and admission and parking are FREE! Bring the kiddos; they will have hours of fun playing in the KidZone with loads of rides and attractions.

We are excited to announce that the 10th Annual SpringFest will be held at the Hill Country Galleria on April 27th, 2019. We are expecting record attendance this year (9,000-10,000 attendees), so mark your calendars and save the date for SpringFest 2019! [LakeTravisSpringFest.com](http://LakeTravisSpringFest.com)!

## BIRDIES BY THE LAKE GOLF CLASSIC

Save the date: October 10, 2018! Held each fall, the Lake Travis Chamber of Commerce brings together local business leaders to enjoy fresh air and friendly competition on the greens. And as you know, business is done on the course! So join us for the most fun and premiere golf tournament in the Lake Travis area as it returns to The Hills Country Club Flintrock Falls golf course. Golfers will make new business connections during this un-FORE-gettable event.

Early registration is \$160 for individuals or \$600 per team. Individual or team registrations include lunch, cart fees, a drink ticket, raffle ticket and dinner. The tournament is a scramble with several on-the-course games with fantastic prizes. Sponsorship opportunities are available at [BirdiesbytheLake.com](http://BirdiesbytheLake.com)!

## RIBBON CUTTINGS

Ribbon Cuttings are held to provide an opportunity for a Chamber member to showcase their recent membership in the Chamber, a new location, a new owner, renovation/remodel, business expansion or milestone anniversary. They can provide you

increased exposure and are an excellent way to introduce your business and offerings to the community. Contact the chamber office to schedule your ribbon cutting.

## BUSINESS OFF THE CLOCK

Unwind and connect with other members of the Chamber in a fun and relaxed setting at this after-hours social event.

## MONTHLY LUNCHEONS

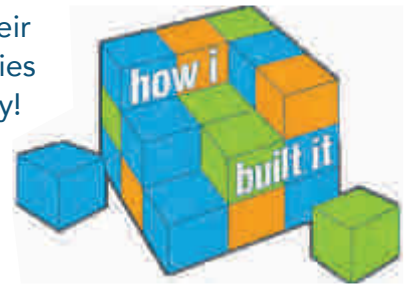

The Lake Travis Economic Forecast kicks off the year with a bang at this must-attend luncheon. The annual event provides attendees with first-hand information about growth and development in the South Lake Travis area. Hear from city officials, the school district, an area residential and commercial Realtor and a representative from the Federal Reserve Bank of Dallas.

Get Inspired! The **"How I Built It"** luncheon enthuses attendees as they hear from 4 area entrepreneurs and community leaders as they tell "their story" through a moderated panel. The ups, downs and even sideways experiences they have endured to get to where they are today. Hear

how they started with a dream, followed their passion and created the successful companies we benefit from and enjoy in our community!

### State of the District Luncheon

The exemplary Lake Travis Independent School District is the #1 reason people are moving to our little haven in the Hill Country. Come see LTISD, Superintendent, Dr. Brad Lancaster and be "in the know" about the latest on the school district.

## BUSINESS CONNECTOR

Connect and build your business relationships at this networking Luncheon. The **PURPOSE** of a networking group is to bring together like-minded Local business people who are meeting and networking with other business owners closer to home. They are relying on "word of mouth" advertising as their main focus - to bring in more clients and more referrals - so that their businesses grow to their ultimate potential. Face to face marketing has become one of the most effective strategies in growing a business, period. Join local business owners and professionals who are ambitiously expanding and growing their practice through personal introductions and referrals from one another at this impactful event.

## NON-PROFIT EXPO

The Lake Travis Chamber NonProfit Expo promotes community excellence by creating awareness about vital resources available in the Lake Travis Area. Our goal is to provide a platform that makes essential services widely accessible to-the-public while encouraging partnerships among organizations interested in creating stronger alliances. Through the LTCC NonProfit Expo event, community causes can educate the public about their services, pursue donor participation, increase volunteer support and offer employment options to eager candidates.

### 2018 PARTICIPATING NON-PROFITS

- Central Texas Water Coalition
- Hound Rescue
- Ladies of Charity Lake Travis Thrift Shop
- Lake Travis Chamber of Commerce / Leadership LLT
- Lake Travis Community Library District
- Lake Travis Youth Association
- Lakeway Police Foundation
- Lakeway/Lake Travis Rotary Club
- Partners In Hope
- Lake Travis RED Arena, Inc.
- Spicewood Arts Society
- Spirit in the Hills Lutheran Church
- Stand Up Eight
- Susan G. Komen Austin
- Water to Thrive

# [ LEADERSHIP LAKE TRAVIS ]

Leadership Lake Travis sponsored by the Lake Travis Chamber of Commerce provides a hands-on, interactive experience where leaders and emerging leaders will have the opportunity to enhance their personal and professional skills, gain a deeper understanding of community dynamics, and build a network of colleagues and associates throughout the south Lake Travis area.

Throughout the year, participants will travel to various sites, meeting the policy makers and trend setters in our community. They will interact with elected officials, city executives, business leaders, non-profit organization leaders and others who make our community work. Sessions have been designed to provide a solid foundation in the concepts and principles of leadership that will be addressed throughout the program as the participants are confronted with the daily issues that face our community.

The areas of study include:

- > Education
- > Real Estate (Residential and Commercial)
- > Retail/Economic Development
- > Medical
- > Non-Profit
- > FLAG (Fire, Law Enforcement, Advocacy and Government)
- > Tourism

It is hoped that graduates will use the insights and contacts they develop through this program to enhance performance in their current jobs and endeavors and enrich the community with their involvement in local/civic, government, business, religious and/or non-profit groups.

The Mission of Leadership is to improve the community for everyone in the South Lake Travis area by Educating, Connecting and Empowering our leaders. The Vision of Leadership Lake Travis is to create Greater Leaders for a Greater South Lake Travis Community.

## LEADERSHIP LAKE TRAVIS:

> Enhance the development of community leadership by offering participants from diverse backgrounds an expanded knowledge of the inner workings, opportunities, and issues facing the Lake Travis community.

> Provide new contacts and foster relationships with a unique group of community and business leaders to broaden your communications and business networks.

> Discover your personal leadership strengths, and find new areas where you can make meaningful contributions, increase your ability to articulate a vision of the community and put that vision into action.

Leadership Lake Travis is a Lake Travis Chamber of Commerce sponsored program that can change your life.

Since its inception in 2009, each year 30-35 of Lake Travis' most promising leaders are chosen to participate in an intensive one day per month, 9-month program.

The experience is designed to unite leaders through team work, by planning specific days with civic leaders, CEO's, and other business owners and leaders in our community to develop a greater awareness of what our community needs and how we as leaders can affect change through personal influence and application.

**APPLICATIONS FOR LLT ARE TAKEN  
FROM APRIL THROUGH JULY AND  
THE CLASS BEGINS IN SEPTEMBER.

Voices of Belmont Village

*"The friends that I have made here have turned my life around."*

To many, living at home means freedom and independence. But it can also be isolating. Belmont Village residents enjoy a lifestyle that keeps them physically active and mentally engaged, delighting in the company of friends old and new. At Belmont Village, you don't have to live alone to be independent.

*It's not just your home. It's your community.*

# BELMONT *Village*
